Charlottesville Apartments Management, LLC

**1940 Blue Ridge Road
Charlottesville, VA 22903-1216
www.CvilleApartments.com**

Thank you for your interest in 1815 Jefferson Park Avenue! These apartments have been designed to offer you more quality, style, and amenities than are usually found in student housing. At the same time, we provide a greater rental value than is typically found this close to the University, just minutes away from Cabell Hall, the Hospital, the Aquatic Center, or the Engineering School.

These spacious apartments are designed to provide you with a home away from home and an ideal environment in which to study, relax, and entertain. They are built with quality, functionality, and style in mind. There are no sterile white walls here: hardwood floors, granite counter-tops, one or two private patios, full-sized washers and dryers, and a 50" flat-screen TV in each apartment are just a few of the things that distinguish these apartments from most others.

We at Charlottesville Apartments strive to provide you with an excellent space in which to live, and the promise that you and your apartment will be well cared for. Unlike some larger rental companies, we have the time and personal motivation to ensure that each Resident's needs are taken care of quickly and correctly. We take pride in our property and the service that we provide, and, we hope that you will join us at 1815 JPA.

Sincerely,

Floor Plans

There are thirty apartments at 1815, each with four bedrooms and two bathrooms. All have a large living room and spacious bedrooms, a fully equipped kitchen, full-sized side-by-side washer and dryer, storage closets for large items, and a private patio. Plan A is slightly larger, and has larger "master" bedroom (which can comfortably accommodate two people), a walk-in closet and its own private patio (see the following two pages for floor plans). Hardwood floors are used throughout all apartments (except on the first floor where slate is used) so there's no old carpeting to trap dust, dirt, allergens and stains. If you choose to share a room, there is an Additional Resident Charge of \$100 per month.

Bedrooms

The bedrooms are larger than average, with over-sized windows for good natural light. Each bedroom has an 8-foot closet and a ceiling fan. The larger floor plan has a 17ft "master bedroom" with a walk in closet and its own private patio.

Common Areas

All living rooms have an adjacent patio with French doors and built-in blinds. Plan A also has a separate dining area, a coat closet, a pantry, and two patios. All apartments have 50" flat screen TVs included at no charge. There is extensive soundproofing throughout the building to help reduce noise transmission from the common areas to the bedrooms and between apartments.

Kitchens

The kitchens are well appointed and come fully equipped with a full-size refrigerator (with ice maker), dishwasher, garbage disposal, smooth-top stove with a self-cleaning oven, and a built-in microwave. They have beautiful real granite countertops, solid wood cabinetry, a breakfast bar with four included barstools, and durable, easy to clean slate floors. Plan A has a side-by-side refrigerator with ice and water dispensers in the door.

Bathrooms

Each apartment has two full-sized bathrooms: one with a whirlpool tub and shower, and the other with a walk-in shower. They are tastefully decorated with designer colors, and come with a large vanity with plenty of countertop and cabinet space. An extra large water heater minimizes your chances of a cold shower. The first floor apartments also have heated bathroom floors.

Utilities and Energy Conservation

To minimize utility costs, all apartments have Energy Star rated appliances, heating, and AC systems. Water saving showers and toilets are used throughout. All windows are thermo-pane, double insulated, and have screens for fresh air when appropriate. All exterior walls are heavily insulated. Utilities average \$50 per person per month. By practicing energy conservation, your bills could be lower.

Parking

Each apartment is assigned three reserved and numbered parking spots. Additional parking is available for \$595 per year.

Lease Application Instructions:

If you're interested in renting one of our properties, please do the following:

- 1. Download the forms from CvilleApartments.com.**
On our website, in the menu bar under *Prospective Tenants*, open the *Lease Agreement* and save it to your computer. Then, open and save the *Residential Lease Guaranty*. To enter information into each form, click in the small gray box by each question.
- 2. Review and Complete the Lease Agreement.**
Open the saved *Lease Agreement* and have each roommate enter the required information on the *Signature Page*. Alternatively, each of you could enter your information and email the Lease to the next roommate until everyone has entered his or her information.
- 3. Read and Fill out the Residential Lease Guaranty.**
Forward a link to our website to your parents. Have them download the *Residential Lease Guaranty* and fill it out. When finished, save the completed Guaranty with a *modified file name* and compile all completed Guarantees.
- 4. Email us the completed paperwork.**
When everything is complete, have one person email everything to us as an attachment to Info@CvilleApartments.com.

Very Important:

- 1. Application Only.** *Completing and submitting the Leasing Application Package does not guarantee you a residence and does not obligate either party in any way. If you decide not to lease from us, or if you are not offered the residence of your choice, your information will be securely erased.*
- 2. Incomplete Applications.** Partial groups and incomplete paperwork will not be considered. For example, if you want to rent a four-bedroom apartment, you need at least 4 people; if you want an eight-bedroom house, you need at least 8 people. Each group member must have completed and signed the *Lease* and provided us with a *Residential Lease Guaranty* from their parents.
- 3. Availability.** Once we know our residential availabilities in early October, after the Lease Renewal Deadline, we'll email each group on the Waitlist with our availabilities and ask for their selection. After making a selection, or if none of the availabilities are acceptable, we will offer our remaining residences to each sequential group on the Waitlist. Residences will be assigned in the order the completed Applications were received. We will also notify you when all properties have been leased.
- 4. Acceptance.** Once you have accepted a property, you will be bound by the lease terms. Have each roommate write a check to Charlottesville Apartments Management, LLC for \$500 for his or her Security Deposit. Your deposit will not be refunded if you later decide not to live in the property you accepted. However, if individuals in the group change, as new members take their place and submit the required paperwork and security deposits, the former members will have their money refunded.
